Mandamus Shiksha Foundation

Vision

- Vision of our foundation is to work closely with the marginalized and under privileged young generation
- To elevate them from a state of penury and transform their lives forever by offering them an opportunity to attain economic self-sufficiency, morality and prosperity.

Mission

Put in place plug and play, easy to replicate model of deliverance for reaching out to large masses across the state in our focus sectors in the quickest possible time.

- Skill the economically backward members of society and uplift their lives
- Help them attain social parity
- Provide gainful employment nearest to their dwellings as far as possible to prevent migration to larger cities & towns
- Identify & encourage entrepreneurship opportunities

Transforming Lives

The cornerstone of our ambition includes but is not limited to Livelihood Training & livelihood Support through engagement of communities at large, without which we cannot succeed.

Our vision and mission CANNOT bear fruit without us working in partnership with industries belonging to our focus sectors. We have partnered with various organizations that have capabilities to absorb skilled manpower in large numbers across the state.

CSR Partnerships

We recognize that the issues we are trying to address are vast for one organization to be able to do it alone. We believe that especially in our sphere of work there are huge opportunities for collaboration that can create win-win opportunities for all our stakeholders.

At Mandamus Shiksha foundation with a CSR initiative we intend to

- Improve public image of our funding partner
- Increase media coverage to enhance funder's brand value
- Boost employee engagement through organizing events
- Attract and retain investors for funders
- Help create positive work place environment for employees of funding organization
